

# Group Profile

Trencor Limited is an investment holding company listed on the JSE.

Trencor benefits from operations that focus on the provision, management and integration of equipment and services to facilitate the movement of goods by customers. These operations have as their business the owning, leasing, managing and trading of marine cargo containers worldwide. It is the aim of these operations to pursue growth and improvement in their existing businesses and to include in their activities similar businesses that have the potential to render acceptable returns.
